

Lenovo ThinkPad L14 GEN 2

ThinkPad L14 Gen 2 is the affordable enterprise laptop of choice for users who need productivity and portability. Featuring the latest AMD Ryzen™ 5000 PRO series processors that deliver enterprise-grade computing solutions designed for quality, reliability, and longevity, plus AMD Radeon™ graphics for a stunning display, the ThinkPad L14 Gen 2 optimizes business productivity and collaboration.

The integrated AMD security platform, including Shadow Stack, is designed from the ground up with intentional features to help address today's sophisticated attacks. Coupled with built-in Lenovo ThinkShield security features, you can be confident your data and device stay protected. Plus, with up to 11.8 hours¹ of battery life, global WWAN Cat12 LTE, and WLAN with WiFi 6, wireless data connections are fast, the ThinkPad L14 Gen 2 keeps you productive no matter where your desk takes you.

¹Based on testing with MobileMark 2018. Battery life varies significantly with settings, usage, and other factors. Projected up to 11.8 hours using MM18. Official claims/final results TBD. Official results will be available at results.bapco.com at product launch.

Lenovo ThinkPad L14 GEN 2

BUILT TO PERFORM

ThinkPad L14 Gen 2 packs a solid punch with AMD Ryzen™ 5000 PRO series processors, up to 64GB DDR4 memory, and up to 1TB PCIe SSD storage. Combine all this with integrated AMD Radeon™ graphics, and you have a device that transitions easily from work to play.

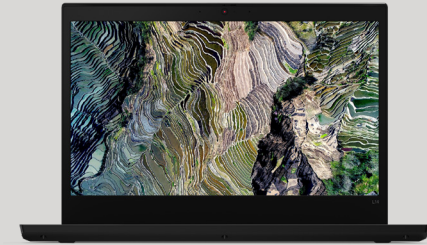

ALL-DAY PRODUCTIVITY

ThinkPad L14 Gen 2 helps you work more efficiently with features like Modern Standby, which enables the device to wake from sleep in less than one second and stay up-to-date even during sleep mode. Packed with the most processing cores available for ultrathin laptops and delivering up to 11.8 hours of battery life¹, this device won't slow you down.

SMARTER SECURITY

In addition to a webcam privacy shutter, Power-on Match on Chip Touch Fingerprint Reader, and dTPM 2.0 chip, ThinkPad L14 Gen 2 comes with an updated suite of built-in ThinkShield security solutions. These are further complemented by AMD security, providing layers of defense, from silicon up through OS and system-level security.

Lenovo

connectivity

ThinkPad L14 Gen 2 keeps you better connected with WiFi 6 and LTE CAT12 capability plus HDMI 2.0 ports and all-day battery life.

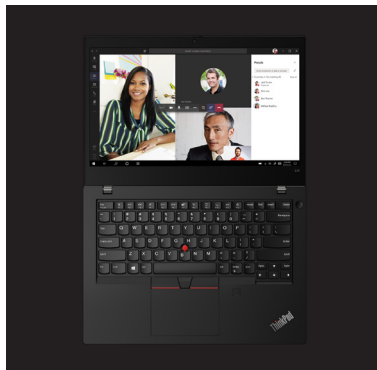

security

Integrated ThinkShield features like Power-on Match on Chip Touch Fingerprint Reader and webcam privacy shutter combine with the AMD's multilayered security for unmatched identity, data, and device protection.

durability

ThinkPad L14 Gen 2 is MIL-STD-810H tested to withstand 12 methods and 26 procedures—industry-leading standards for product durability and reliability.

¹Based on testing with MobileMark 2018. Battery life varies significantly with settings, usage, and other factors. Projected up to 11.8 hours using MM18. Official claims/final results TBD. Official results will be available at results.bapco.com at product launch.
