

Lenovo
IDEAPAD

IdeaPad 5 2-in-1 (14", 16", 10)

The smarter choice for versatility.

Be bold with the IdeaPad 5 2-in-1 14" or 16"—an AI PC built for 360° versatility with multi-modes ensuring you do anything anywhere mentality comes to life. Powered by up to AMD Ryzen™ AI 300 Series processors and a 45 TOPS NPU getting into projects with an AI advantage is a breeze, and the OLED display delivers true-to-life visuals to match.

Elevate your experiences

Dive into a world of AI tools and digital assistants on Copilot+ PCs powered by up to AMD Ryzen™ AI 300 series processors. With advanced AI architecture and supercharged performance for premium productivity offering the ultimate private, responsive, and intelligent laptop computing for gaming and productivity.

360° flexibility for every task

Switch things up with 360° versatility—this 2-in-1 is built to match your flow. Jot notes in tablet mode, work in laptop mode, stream in tent mode, or share in stand mode. Essentially, a mode for every mood you might be in and ready to keep up with both your style and your day especially with the Lenovo digital pen and touchscreen.

Breathtaking right to the edge

Take the plunge into breathtaking visuals on 14" or 16" OLED displays with a 16:10 ratio and 100% DCI-P3 color accuracy for lifelike tones. Ultra-slim bezels and an up to 90% screen-to-body ratio pull you in, while Dolby Audio® delivers rich sound and TÜV Low Blue Light technology keeps your eyes comfortable, even during marathon viewing sessions.

Next-level I/O: Connect, transfer, excel

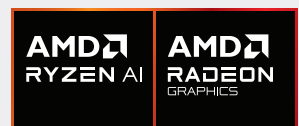

Endless possibilities start with the secure Windows Hello login for instant access. USB Type-C™ ports make connecting seamless, and the 57Whr battery with Rapid Charge Boost keeps you powered up all day. Enjoy crisp video on the FHD IR camera with a privacy shutter for total peace of mind and dual array mics for better voice calls.

Tough enough for any adventure

Tackle life's extremes with this military-grade laptop, built to MIL-STD-810H standards for durability against heat, altitude, humidity, and drops. Whether moving from the classroom to the café or boardroom to game room, its rugged design is ready for any adventure, which is fitting, because it's designed to be used anywhere.

With Lenovo
AI Engine+

¹ All battery life claims are approximate to the half hour and based on two methods of testing: MobileMark® 2025 battery life benchmark @ 250 nits brightness and continuous 1080p video playback @ 150 nits brightness on the latest update of Windows 11. Actual battery life will vary and depends on many factors such as product configuration and usage, software use, wireless functionality, power management settings, and screen brightness. The maximum capacity of the battery will decrease with time and use.

² The actual transfer speed of the USB 3.2 will vary and, depending on many factors, such as the processing capability of host and peripheral devices, file attributes and other factors related to system configuration and your operating environments, will be slower than a speed of 20 Gbit/s.

LENOVO SERVICES

Lenovo Premium Care Plus

Lenovo Premium Care Plus is the ultimate PC support experience with you as our priority 24/7. Enjoy personalized hardware and software support from a global network of elite technicians, along with accidental damage protection, fast repairs with onsite support, extended battery warranty, data migration assistance, and smart performance solutions that optimize PC performance and security.

Lenovo Smart Performance

Smart Performance Services within Lenovo Vantage will keep your system running at optimum performance and proactively fix issues that affect PC performance, internet performance, remove malware, and improve device security.

Lenovo Accidental Damage Protection

Avoid the hassles of unexpected damage & repair costs. With coverage for drops, spills, electric surges, and broken LCD screens, accidental damage protection makes it easy to repair to your PCs and ensures your device is up and running fast.

Lenovo CO₂ Offset Services*

Offset the carbon emissions of your PC with Lenovo CO₂ Offset Services – an easy and transparent solution to offset emissions across the average lifecycle of your device. These offsets are invested in UN-approved initiatives like renewable energy or ecological projects, thus contributing towards a more sustainable future.

Lenovo Sealed Battery Warranty

Long-lasting battery life is not just a feature but a necessity to help you stay productive and connected all day long. Protect your PC's sealed battery from degradation, enjoy hassle-free battery replacement service, and safeguard your PC from future battery failure with our Sealed Battery Warranty Service.

Lenovo Warranty Extensions (Up to 3 Years Duration)

Gain complete peace of mind by extending your base warranty to up to 3 years and minimize unexpected repair costs.
